NUMB. 506

SATURDAY, FEBRUARY 5 1737.

91:504.

The last Post brought from Edinburgh, an Act of the Magistrates and Common Council of that City, with Relation to the Riot, and Murder of Captain John Porteous; as follows.

HEREAS on the 7th of September last, a notorious Riot and Insurrection was carried on in the City of Edinburgh, by a great Number of wicked and blood-thirsty Persons, who, in Defiance of the Laws of God and Man, assembling themselves by beat of Drum, seized the Arms of the Guard of the said City, and possessed themselves of the Gates thereof; and did likewise break open the Tolbooth or Prison of the said City, by setting Fire to the Door of the same, and after dismissing several Persons therein committed for capital Crimes, laid violent Hands on John Porteous, then a Prisoner there, and cruelly murdered him in one of the publick Streets: And whereas the Magistrates and Council of the said City, having been inform'd, that several Authors and Abettors of the said Riot, Insurrection and Murder, conscious of their Crimes, had fled from Justice; therefore, that Knowledge might be had of the Persons so fled and absconded, they, the said Magistrates and Council, by their Act dated the 20th of October last, did authorise and appoint the Dean of Guild and his Council, and the Deacons of the respective Corporations, in Manner therein directed, to ordain Lists to be made up of all Apprentices and Servants, on or immediately before the said 7th of September last, and to make Enquiry, if all or any of them, had left or deserted their Service since that Time, and to make up a List of such as had so deserted, with their proper Designations, and to deliver in the Lists so made up to the said Magistrates against the 15th of November last, that proper Measures might be taken for discovering such as are guilty of the foresaid Crimes, and bringing them to condign Punishment. And whereas, in Pursuance of the said Act, Lists have been delivered in, whereby it appears, that the Persons after-named, have left and deserted their Masters Service at and since the 7th of September last, without any just Cause shown for the same, whereby they have rendered themselves justly suspected as being Art and Part of the foresaid notorious Riot, Insurrection and barbarous Murder, committed in Contempt and Defiance of the Laws of this Realm, to the great Dishonour of the said City. And whereas such as shall continue to abscond, and wilfully decline to purge themselves in Manner after-mentioned, of the Suspicion justly incurred; stand Self-condemned, and are unworthy of enjoying the Privileges conferred upon the said City; and according to the Laws of the Land, and Constitution of the Burgh, the Persons guilty have, by their detestable Crimes, disabled and disqualified themselves from holding or obtaining the Freedom of the said City: Therefore the Lord Provost, Magistrates, Council, and Deacons of Crafts of the said City, by their Act bearing Date the 19th of January last, have unanimously ordered and appointed, that the Persons after-named, who have deserted their Masters Service, at and since the 7th of September last, viz.
